What is FastballBSF? FastballBSF™ is a baseball game modified to be played on a softball field! The game features overhand pitching with the pitcher only allowed to throw fastballs and no breaking pitches (except in the Elite division). It stresses safety by utilizing a special Reduced Injury Factor baseball and wood bats give the game an authentic baseball feel. FastballBSF™ has been specialized to meet the interests of a variety of participants by age, gender, and ability level. It has been called the best game to be developed in the past 100 years and the best Father-Son game ever! To learn more, visit our website: www.FastballBSF.org
